**REPORT AND RECOMMENDATION**

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on February 1, 2013, after receiving the written consent of defendant and all counsel. At the hearing, defendant George Clarence McDonnell entered a plea of guilty to count 1 of the Indictment charging him with possession of an unregistered illegal firearm, in violation of 26 U.S.C. § 5861(d). There was no written plea agreement, but the parties placed the following oral agreement on the record: (1) The government will move to dismiss count 2 at the time of sentencing; and (2) defendant agrees to the forfeiture or abandonment of the firearms identified in the Indictment. On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to count 1 of the Indictment be accepted and that the court adjudicate defendant guilty of the charge. Acceptance of the plea, acceptance of the plea agreement, adjudication of guilt, and imposition of sentence are specifically reserved for the district judge.

Dated: February 1, 2013
